

## SKILTEK TECHNICAL INSTITUTIONS

Ever since its inception in 1979, **Skiltek Technical Institutions** have been growing from strength to strength, starting new courses, keeping abreast with the times. When established, it was just another industrial Training Centre, imparting training in a handful of courses, with affiliation to the National Council for Vocational Training, Ministry of Skill Development and Entrepreneurship, Government of India and with the recognition of the Government of Kerala. In the future years, this institution, with the dedicated service and hard work of the managerial, supervisory, instructional and ministerial staff and with the sincere co-operation of thousands of students and their parents, has emerged to be the biggest of its kind in India. Now, Skiltek Private Industrial Training Institute, Skiltek Private I.T.I. for Computer and Process Instrumentation, Skiltek College of Engineering, are functioning under **Skiltek Technical Institutions**.

### JOB FOR ALL

An active Cell of Placement and Rehabilitation is functioning under SKILTEK. Final year students and pass-outs are provided with details of recruitments and all help to secure the employment is extended to them through campus recruitments and job fests. As of now, all pass-outs registered with the placement cell are employed.

### RANK HOLDERS ARE MOULDED HERE

For the last four decades students of Skiltek have been bagging all India / State level ranks, gold medals, commendation certificates etc. in assorted courses.
